ABOUT US

We offer training designed to promote excellent spiritual/pastoral care practices for persons in all life stage experiences (joy, pain, trauma, grief, loss, celebration, and end of life care). Clergy, laity, and Medical staff learn skills to care for persons in crisis.

CPEO

Equipping leaders to Serve God's People

www.cpeleaders.com

VISION AND MISSION

Pastors, Rabbis, Ministers, Clergy, Seminary Students, Lay Leaders and Community Leaders are exposed to a variety of clinical didactics and seminars in theological reflection and spiritual care training. A variety of settings are used in your home location to provide clinical training. Example sites are parish settings, synagogues, mosques, nursing homes, hospitals, hospice houses, prisons, assisted living environments, corporate and community settings.

Training is designed to give clerics and lay leaders caring tools to promote excellent professional spiritual care practices for persons in all life stages and experiences of joy, pain, loss, grief, celebrations, trauma, and death. Clerics and laity learn skills to care for persons in crisis.

This completely online ACPE accredited program provides 20 week extended clinical pastoral education sessions. Educational training will be conducted in the evenings and possibly on weekends with flexible clinical training settings in conjunction with clinical locations in your areas.

Vision

CPEO is an organization committed to the liberation, empowerment, transformation, and development of clergy and laity leaders of all faith traditions with compassionate care. CPEO strives for excellence undergirded with the love of a Higher Power (God).

Mission

CPEO is an accredited CPE program that seeks to equip God's leaders through professional training in pastoral/spiritual care competencies. Offering a wide range of pastoral/spiritual care skills to clergy with differing religious beliefs and spiritual traditions.
